

Welcome to ABC Art Gallery

Founded in 2004, ABC Art Gallery hosts modern and contemporary art exhibitions in the heart of Ankara. The gallery presents both established and emerging artists from around the world.

Current Exhibitions

This season features *Light and Shadow*, a photography show by Lina Kovacs, and *Earth Memory*, a ceramic installation by Turkish artist Murat Yılmaz. Exhibitions change every two months. Some halls may be temporarily closed during installation.

Past Highlights

Recent shows include *Lines of Silence* (abstract painting), *Urban Echoes* (video art), and the *Young Sculptors 2023* collective.

Art Auctions

Quarterly art auctions bring together collectors, patrons, and first-time buyers. Bidding can be done in person or through the online auction portal.

For auction registration, please fill out the online form or contact our office before the announced deadline.

For Artists

Artists wishing to exhibit may submit a short portfolio and a statement (max. 300 words). The selection committee meets twice per year. Due to high volume, responses may take several weeks.
